Sharon Bachman was one of the founders of Dog Town Canine Rescue in 2001. She had already been rescuing dogs and cats for several years, and her experience and dedication were a huge factor in our success.

Sharon designated a portion of her business (Brebeau Kennels) to house dogs and cats rescued from Elko Animal Control. Sharon was instrumental in establishing good working relationships with local veterinarians, and her experience as a business owner proved to be invaluable in gaining support from the community.

If you have any questions or desire any further information, please feel free to contact me.
