

Dear Prescott College LEP Evaluators,

My name is Sarah Hansen, I'm writing on behalf of Sharon Bachman. I've known Sharon for 13 years, I met her through the 4-H dog show program when I was 9 years old. She instructed myself and many other kids on how to train dogs in obedience and showmanship. She was such a great teacher. She made me want to go beyond 4-H and make a career of working with animals. She hired me part time at the boarding and grooming kennel, that she owned, as her assistant. She taught me everything she knows about grooming and running a successful business. Once I was a little older I started traveling with Sharon to AKC and ASCA dog shows. She taught me to be a professional dog handler, she also taught me breed standards and judging skills that I still use today. Over all the years that I've known Sharon she has mentored me and taught me very important life skills such as having a strong work ethic, communication skills, money management, honesty, and that's just to name a few things I've learned for her. I can honestly say I don't know what I'd be doing with my life if it wasn't for all the hard work and time she spent with me.

Thank you for your time,

Sarah Hansen
